

Exemption from provisions of Health and Safety at Work (Hazardous Substances) Regulations 2017

In accordance with section 220 of the Health and Safety at Work Act 2015 (the Act), I, Simon Humphries, Deputy GM Investigations and Specialist Services of WorkSafe New Zealand, exempt **Mr Jim Barnes** from compliance with regulations 15.13, 15.16 and 15.17 of the Health and Safety at Work (Hazardous Substances) Regulations 2017.

I do so –

- being satisfied that:
 - the extent of the exemption is not broader than is reasonably necessary to address the matters that gave rise to it; and
 - the exemption is not inconsistent with the purpose of the Act; and
- subject to the conditions listed on the following page:

This exemption takes effect on ²¹~~12~~ September 2018 and expires on ²¹~~17~~ September 2023 unless it is sooner replaced or revoked.

Signed at Wellington this ^{21st} day of ^{September} 2018

Simon Humphries,
Deputy GM Investigations and Specialist Services
WorkSafe New Zealand

Conditions

1. This exemption is limited to the cylinder with serial number 790141 and authorised on the attached exemption document. It is not a type approval for other cylinders of similar or identical design.
2. Sai Global (NZ) Ltd must ensure the letters SP and its station mark are stamped on each cylinder as part of the approval number immediately after the numerals in accordance with regulation 15.60.
3. This exemption is to be limited to the cylinder located on the Winnebago motorhome (Registration CZK896, VIN 4CDRGER2652306908).
4. A plate must be fixed to the vehicle beside the cylinder fill point to enable recording of the last cylinder test date by a test station and the statement "not to be filled unless within test".
5. This exemption decision is subject to the cylinder passing its testing in accordance with Regulation 15.56.
